

# Flotation Blocks

## Superior buoyancy for your flotation application.

Foam-Control® molded polystyrene flotation blocks are highly buoyant and can be shaped for almost any application. Foam-Control flotation blocks work in synergy with chemical and impact resistant coatings/coverings for maximum service and environmental safety.

- High buoyancy
- 100% recyclable
- Closed cell with superior moisture resistance
- Inert, non-nutritive, highly stable
- Will not decompose, decay or produce gases or leachates

## Properties.

	100	130	150	200
<b>Buoyancy Force lbs/ft<sup>3</sup> (kg/m<sup>3</sup>)</b>	61.7 (990)	61.5 (980)	61.1 (980)	60.6 (970)
<b>Water Absorption max. volume %</b>	4.0	4.0	3.0	2.0
<b>Compressive Strength @ 10% deformation, min. psi (kPa)</b>	5.0 (35)	10.0 (69)	15.0 (104)	25.0 (173)
<b>Flexural Strength, min. psi (kPa)</b>	10.0 (69)	25.0 (173)	35.0 (242)	50.0 (345)

## Proven to meet, or exceed, building codes.

Foam-Control is manufactured under an industry leading quality control program monitored by UL and further recognized in UL Evaluation Report UL ER11812-01. Foam-Control meets ASTM C578, "Standard Specification for Rigid, Cellular Polystyrene Thermal Insulation".

## Sizes and Shapes.

Foam-Control Flotation Blocks can be made in a variety of sizes and shapes.

## Coatings.

Protective coatings/coverings must be used to encapsulate the Foam-Control Flotation Blocks to ensure optimum service life and meet many of today's marine design standards.

## FOAM FACTS: Foam-Control Flotation Blocks.

- Foam-Control is extremely buoyant
- Foam-Control is highly stable and will not corrode, decay or sink when punctured when protected
- Foam-Control can easily vary strength, thickness, and size
- Molded polystyrene is 100% recyclable

## Recyclable.

After its life as a fabricated shape, Foam-Control is 100% recyclable. It can be ground into granules and reincorporated into new Foam-Control products or it can be thermally processed into a resin that's used to manufacture other new products.

## Ready to take control? Start here.

If you're ready to have Foam-Control contribute to your next project, just contact your nearest Foam-Control manufacturer and Technical Sales Representative. They will be happy to give you design consultation, information about Foam-Control products, pricing, and answers to all of your questions.
